Certificate of Analysis

Report Date	9 May 2019
Sample Ref	Potassium fulvic B
Report Ref	ATQC2019625
Receive sample date	11 May 2019
Sample No.	4Jan2019 02
Analytical systems	Company standard QC-20180006

All analysis items - Sample as received basis

Test Items	Standards	Test Results
Water soluble (dry basis)	≥ 95.0	95.1
Humic acid (dry basis)	≥ 50.0	53.2
Fulvic acid (dry basis)	≥ 40.0	41.3
K ₂ O (dry basis)	≥ 12.0	13.5
Moisture	≤ 15.0	13.1
pH	8.0-11.0	10.1
0.5mm sieve residue	≤ 5.0	3.0
Conclusion: Qualified		

Analysis status codes = DVN

Analysis UKAS accredited: U

Analysis not UKAS accredited: N

Analysis OECD GLP accredited: G

Analysis not OECD GLP accredited: V

Analysis by Dyacare Laboratories: D

Analysis sub-contracted to another laboratory: S

Samples are normally retained for a minimum of 2 weeks from report date, after which they may be disposed of.
